GOLDEN ROSE OF CHINA

HUGONIS ROSE

While it is a true rose bush, it has such unusual beauty when out of bloom that it is of double value. The acacia-like foliage and maroon colored canes with the pretty, thorny new branches create beauty that impresses everyone. In May it is a wonderful bush of gold.

A Hugonis Rose hedge is truly beautiful.

I offer this expensive rose at Bargain Price. **Strong, two-year field grown bush, 33c each; 6 for \$1.65; 12 for \$2.90.**

REGAL LILIES

The large white flowers are slightly suffused with pink with a beautiful glow of canary yellow at the center. Its perfume is exquisite. Blooms in your garden in July; several blooms on a stalk. Grows five feet high.

4 Inch Bulbs Blooming Size, 10 for 95c.

Auratum (Gold Banded Lily)

GOLD BAND LILY

The flowers are immense, almost a foot across, each petal thickly studded with crimson spots, with a wide gold band down the center.

Blooms just after the last of the Regal, lasting into September. Perfectly hardy, will last many years, improving with age.

Our bulbs are worth 35c, but we are making a bargain price. **23c each; 5 for 97c; 12 for \$2.15.**

The prices quoted in this card include packing costs but not transportation. This may be paid to your expressman or postman when the shipment is delivered.

MONTBRETIAS

Rapidly gaining popularity. Praised by garden clubs highly.

Mixed Montbretias are easily grown from our strong bulbs. The flowers grow on graceful stems about a foot high. The bright colors, yellow, orange, salmon and scarlet, add cheerfulness and beauty to your garden, as many as 20 blooms 2 inches across produced on a single spike.

Protect during winter with a thick cover of leaves or other litter; they will appear early every spring for years.

Mixed Bulbs, 6 for 35c; 12 for 60c; 25 for \$1.00.

TIGER FLOWER

TIGRIDIA (Shell Flower of Mexico)

This gay flower was the center of attraction in our garden last summer. It is as showy as the oriental poppy.

Few flowers are so gorgeously colored and beautiful. Erect spikes 18 inches high. Bright yellow, crimson and orange flowers from middle of July till September. Bulbs are planted and handled same as Gladiolus.

Mixed 15c each; 7 for 97c; \$1.45 per doz.

PERENNIAL PLANTS, \$1.15 PER DOZ.

Good strong one-year plants, will bloom this summer.

DELPHINIUM (Hardy Larkspur)

MASTODON STRAWBERRY PLANTS, 100 FOR \$1.47

Strawberry orders will be filled with fresh dug plants. We begin filling orders as early as weather conditions will permit (about March 20th).

The Mastodon is by far the heaviest yielding everbearing variety yet introduced. A patch of Mastodon would be a sure money maker for its owner, as there is always ready sale at high prices. The big, fancy berries are sometimes five inches in circumference. The flavor is excellent. They bear heavily in June as well as in August and September. Are not injured by frosts that would ruin other varieties.

The Best Plants and Lowest Price we ever offered.

25 for 50c; 100 for \$1.47.

THE NEW RED GOLD, with wild strawberry flavor. Its deep roots will stand drought. Big berries on long stems. Ripens in June. A good home berry, **25 for 40c; 100 for \$1.00.**

U. S. Dept. of Agri. New BLAKEMORE (Perfect). Issued by U. S. Dept. in 1930, now classed **best** variety ever introduced. Superior to the Premier. Ripens red all over, no white tips. Very healthy foliage. The berries stay plump after being picked. Best on the market. Best for table. Best for canning. Big money maker. **25 for 50c; 100 for \$1.00. Write for prices per 1,000.**

SPECIAL—I am giving 25 BLAKEMORE FREE with an order of 100 Mastodon for \$1.47.
